

10th Anniversary Harvest Festival Baking Contest

Baking together is a great way to not only build relationships with your child, but to use non fiction reading skills and math skills in real life. This year's contest has 4 categories for 4 times the fun! In order to enter, please attach the entry form found below to the **BOTTOM** of your dish. We don't want to know who made it until **AFTER** the judging.

Category 1 – Apple – Any dish made with apple as the primary ingredient.

Category 2 – Pumpkin – Any dish made with pumpkin as the primary ingredient.

Category 3 – Dietary Restrictions – Any dish made with either pumpkin or apple but which is gluten free or dairy free or vegan, etc. Please specify on your entry form!

Category 4 – Cake Decorating – Cakes of any flavor decorated with the 10 years of Cascade Heights theme. All cakes will be used in the cake walk.

To enter just drop off your entry on Thursday no later than 3:30, to the ZIP room (down the hall from the gym). A piece of masking tape with your child's name and grade on it will ensure your platter makes it home.

Please cut here and tape to **BOTTOM** of dish.

Student name (s): _____ Grade: _____

Adult helper: _____

Which category would you like your dish judged in?

_____ Apple

_____ Pumpkin

_____ Special Diet

_____ Cake Decorating
