

Individually We Are One drop, Together We are One Ocean.

Thank you for supporting Cascade Heights by raising money to help bridge the gap. ***The fundraising discount cards are valid through March 1, 2020 and will be sold until they all are gone. Each one is to be sold at \$20 per card.*** Please fill out this form, return it to school, and receive your cards as noted here. You may turn in the money or unsold cards anytime during school hours. You may send them with students. You may check out as many cards and turn in multiple forms as long as there are cards to sell.

We encourage each family to try and sell an average of 3 cards per student. We understand that it is not possible for everyone to participate or sell the suggested amount. ***This is not required*** of you and we appreciate any effort you make on behalf of your school.

Please read and initial each of the statements below and have fun sharing Cascade Heights with your family, friends, and neighborhood community.
